Ideas for Learning While Coloring

As you color together, encourage communication
by talking about:

If your child uses an AAC device, communication board,
signs, or gestures, encourage them to request colors,
comment on the pictures, and answer simple questions
while coloring.

Make It Last!

For longer use, print on cardstock
or laminate finished pages to
create reusable activities.

Dry-erase markers can be used
on laminated pages
for even more fun!

Personal & Educational Use Only

These printable coloring pages are for personal,
classroom, therapy, and educational use only.
They may not be resold, redistributed, or modified
for commercial purposes.
